Responsible Electronics Recycling

## Manufacturer Collective Electronics Recycling Program

### For the State of Virginia

Vintage Tech, LLC will serve as the “Collector” and “Recycler” in the State of Virginia on behalf of LG Electronics USA, Inc. for the collection year of January 1, 2014 through December 31, 2014. In cooperation, our goal is to provide convenient solutions for consumers utilizing different collection methods and assist the Virginia Department of Environmental of Quality in accomplishing its annual goal.
